Jennifer Jackson

Glen Williams opened the meeting for the late arriving Jennifer Jackson.

One of the happiest pics ever printed in the eScope, the lovely Felicia at our meeting and leading our song, along with the whole club. What a moment.

Jennifer Jackson explaining the intricacies of sponsoring a "Young Professionals" branch off our main club. Cutting edge stuff here at the Kiwanis Club of Gadsden.

## ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

Today was Glen and Gil day so of course Gil was nowhere to be seen. He's very clever about getting everything done behind the scenes.

The meeting was to catch up on some administration items and share upcoming needs and responsibilities of members. The Christmas Parade, December 5, and Christmas Shopping and then Pancake Day, all need that "Save The Date" treatment. All hands needed!

We have changes coming to the Foundation Board with new members coming in and some rolling off. There is a lot going on in the club and it's important every so often to catch everyone up!

What a great day to see Felicia Williams at the meeting. She was radiant and the joy on Glen's face reflected that. Prayers will continue for all our members and spouses in need, it's a core part of our nature.
