Happy Pancake Day!!!

ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

Yes, it's Pancake Day week and the Big Day tomorrow! You should all know your duties and shifts by now.

Show up with a smile
It goes further than a mile
Every Happy Face
Makes the Hall a happier place
Help those who are in need
By carrying a plate or doing a good deed
Be proud you are a Kiwanian
And maybe more will want to be one
Work your shift with glee
So it doesn't have to be done by me
Make sure your replacement knows
How to carry on the way it goes
Shake hands with all your friends
Until the long line ends
We will raise funds all this day
For a very successful Pancake Day!

(With all due apologies to Charlie Hart...)
